

Instructions: Based on your assigned article, please offer evidence for each of the following arguments, as appropriate. Be sure to include specific examples and a page number for where the example appears in the text. You might find that all of your evidence fits in 1 or 2 of the columns, or you might have evidence for all there.

Religion <i>supports</i> efforts to mitigate climate change/other environmental problems.	Religion <i>undermines</i> efforts to mitigate climate change/other environmental problems.	Religion <i>neither supports nor undermines</i> efforts to mitigate climate change/other environmental problems. It is mostly unrelated to these efforts.
