

ENVD 4420: Planning Capstone
Guidelines Topic and TOC
Due Feb 5 via D2L, 5% of final grade

The purpose of this assignment is to select a topic that you will consider in depth for your passion project. Broad topics include the following bulleted list. For your passion project, you should drill down to a more specific topic and interest that you can cover in the course of the semester:

- Boulder Comprehensive Housing Strategy, including but not limited to conceptualization of the 15 minute neighborhood
- Boulder transportation planning, including but not limited to the 15 minute neighborhood
- Boulder city-wide analysis and mapping of public housing, parks, greenways, green infrastructure, and walkability
- Boulder Comprehensive Plan Update
- Boulder Human Services Plan Update
- Mexico City resilience planning/evaluation
- Guidelines for parks that promote physical activity, mental restoration, or resilience

In this assignment, provide the following to describe your thinking about your particular topic and a draft table of contents:

- i) A title (0.5 point)
- ii) A succinct one line of project that could be put on your resume (0.5 point)
- iii) One paragraph project description (2 points)
- iv) A table of contents that identifies key factors to consider (you can look at the TOC of guidelines on D2L for ideas). (2 points)
